Dear Dave,

Re our recent conversation concerning [redacted]
As you are aware, she was granted a Project clearance, but due to
close association with foreign relatives, she does not fulfill
the basic requirements for a cryptographic clearance.

In view of the above, it is felt that her services are not
needed on the program. I would, therefore, appreciate you
quietly exploring the possibility of transferring [redacted]
from the program. If this can not be accomplished, a waiver
must be obtained here at Headquarters to acquire the approval of
top level officials. Please keep us advised of any further
developments.
